

Bell Canyon Equestrian Center Facility Usage Fee Effective June 1, 2020

A number of residents in Bell Canyon have barns and horses on their properties—it's one of the perks of living in the Canyon. While residents can house their horses on their own property, not everyone has the amenities that the BCEC has: large turnouts, trainers, wash racks, arenas, etc.

The BCEC welcomes Bell Canyon horse owners who would like to utilize the facility even if they don't board their horse here. There is a monthly Facility Use Fee of \$100 for such usage, to help support and maintain the Equestrian Center. There are a few requirements as well, listed below.

If you are planning on bringing your horse or horses to the BCEC, please fill out the lines below and return the completed form, your first month's payment, and the required documentation to the Bell Canyon Association office, either by USPS mail or by hand through the mail slot.

Rules

1. Any horse brought onto BCEC property must be vaccinated for Flu/Rhino, West Nile Virus, Eastern/Western Encephalitis, Tetanus, and Strangles, annually. A copy of the vaccination record for each horse **must** accompany the completed form and be provided annually.
2. No stallions permitted.
3. Any resident bringing their horse onto BCEC property must follow the BCEC Facility Rules. If they ride while at the BCEC, the BCEC Liability Waiver must be completed and submitted. If they use any arena, following the Arena Rules is required. Copies are available on the BCEC website (www.bellcanyonequestriancenter.com).
4. Use of either the Main or Hillside Arenas is allowed only with a BCA trainer's supervision during such use or see #5.
5. If you wish to bring in a non-BCEC trainer, use of the arenas is allowed only when BCEC trainers are not using them and cannot exclude boarders from riding in the arena at the same time. A certificate of insurance and additional insured endorsement from the trainer, naming the Bell Canyon Equestrian Center, is required and there is an additional \$25 per month charge with a maximum of one training/longing session per week.
6. Only supervised use of turnouts and sun pens is allowed. Owner or trainer must be present and if there are other people waiting, maximum length of turnout is 20 minutes.
7. Use of the facility by non-boarders requires a monthly payment of \$100 or \$125 made out to the Bell Canyon Equestrian Center, or BCEC. Once you sign-up and pay for your initial month, a monthly bill will be generated and sent to you, and you should mail or arrange automatic payment using the account number and lockbox address on your statement.
8. Please remember that the BCEC is private property and bringing your horse here and using the facility is a privilege, not a right, and such use has a cost impact on the facility's upkeep.
